

Name _____

IXL Homework Page

1) Log in to IXL

- Username: lunchnumber@vbschools
- Password: first two letters of last name (lowercase) then lunch number

2) Do topic shown on your calendar. Show one problem in each space below. If you get the problem wrong, copy down the correct work from the explanation. Try to get up to a smart score of 60 (unless otherwise stated).

3) If you are struggling with a question. Make sure you write down an example and ask questions tomorrow during class

*You must get at least 60 for full credit!
